We're using a new tool called Flocknote that will help us communicate more efficiently with you & keep your info up-to-date. This new tool allows you to choose what info you'd like to receive— via email or text message— from Fr. Chad and our various ministries. You can unsubscribe any time. For the text messaging part, you can text **STOP** to 84576 to stop receiving text notifications at any time. There is no charge to you for this service, but your carrier message and data rates may apply.
